Dear Students/Parents/Guardians,

Welcome to South County High School! Please view our [welcome video](#)! Our [curriculum guide](#) google site also includes a ton of helpful information about course options for the coming year.

Students must select 4 core classes plus two electives, as well as three alternate elective courses. Health and PE has been pre-scheduled. Please review these selections to be sure they satisfy graduation requirements, as well as academic needs, career interests, and personal goals. Staffing is based upon student course selections, therefore it is imperative that you make wise choices. Prior to June, change requests will be honored only if space permits. After June, schedule changes will be made only to correct errors in placement or to resolve conflicts with classes.
